## **Ga. House District 35 Candidate Lisa Campbell Endorsed by Georgia Conservation Voters**

***Campbell pledges to prioritize building a sustainable and resilient Georgia by  
advocating for Georgia policies that promote the protection of our  
environment***

ATLANTA, (August 26, 2022) — Today, Ga. House District 35 candidate Lisa Campbell was endorsed by Georgia Conservation Voters for her commitment to protect Georgia’s natural landscapes and wildlife habitats and promote policies that restore and preserve Georgia’s environment.

“I am committed to promoting and advocating for policies that protect one of Georgia’s most valuable assets - its natural resources. From the Appalachian Foothills in the north, to its beautiful, flowing rivers, streams, and creeks, down to the Okefenokee Swamp and the vast marsh wetlands on the coast, Georgia’s magnificent outdoor spaces are jewels that belong to us all,” Campbell said. “For far too long, Georgia laws have been more protective of corporations who fill our air, land, and waterways with toxic chemicals. The effects have been catastrophic to Georgia citizens who live and work in areas contaminated by hazardous chemicals and waste materials. All Georgians suffer when its irreplaceable environment is exploited.”

Having lived in, been an advocate for, and avid enthusiast of the Georgia Outdoors for more than 50 years, Campbell knows the value of Georgia's natural environment. As part of her mission to create a better Georgia for all, she is committed to advancing policies that will promote the protection of Georgia's environment, thus ensuring future generations not only benefit from enjoyment of its outdoor spaces but also have clean air, water, and soil as is necessary for their health and well-being.

### **About Lisa Campbell**

A longtime Georgian, Lisa Campbell is a respected business owner and community volunteer with more than 30 years of professional experience. She has worked as a strategic business consultant, holding leadership roles in global marketing and technology organizations, and is ready to put her professional skills to work to create a better Georgia for all.
